

# Misty Mountains, Winding Rivers

## English

We will be joining Maia on her journey up the Amazon River in Eva Ibbotson's Journey to the River Sea.

Our astounding authors will be writing diary entries, performing poetry, writing letters as well as participating in conscience allies, hot seating and making notes.

## Maths

Our marvellous mathematicians will continue to measure mass and move onto measuring volume and length (in addition to converting units). They will also be learning to measure the perimeter of shapes.

## Art

Our awesome artists will be drawing landscape drawings of mountains as well as paper mâché of their own mountain.

Assalamu Alaikum!

This half term, our  
Year 4s will be  
sailing across  
winding rivers  
whilst aiming high  
above misty  
mountains!

## Science

Our super scientists will be learning about the different states of matter: solids, liquids and gasses (this also links to our maths where children will be measuring liquids).

In addition to this, we will look at the stages of the water cycle.

## P.E.

Year 4 astonishing athletes will be learning about Tennis this half term.

## Geography

We will be exploring the different stages and uses of rivers (as well as researching rivers in the UK and across the world).

We will also learn about different mountain types and research the different mountains in the UK as well as the world!

# *Home Learning*

Create a fact file about famous mountaineers such as George Mallory for example.

Have you travelled up a mountain or sailed on a river before? Write about your experience!

## **True or False:**

On the day that the Prophet SAW was born, 'the mountains of the world went higher with pride, seas became wild and waves went high.'

Create a poster of all the mountains and rivers in the world. Put them in order and write a brief description

Find out how many mountains and rivers have been mentioned in the Quran and Hadith.
