

Maths

In maths, our budding mathematicians will be learning about geometry (classifying and comparing quadrilaterals and triangles), position and movement as well as Roman Numerals.

Topic

This half term, our historians will be taken back to the Roman era and research about famous warriors (both men and women) as well as comparing life of a Roman child to ours!

PE

Our sport stars will be focusing on athletics this half term and will be investigating ways of performing running, throwing and jumping activities.

English

This half term, we will be reading the book, 'The Boy at the Back of the Class' by Onjali Rauf. We will be writing postcards, news reports and looking at poetry. We will also be performing news reports, conscience alleys and hot seating too!

Science

Our enthusiastic scientists will be looking at the water cycle (so looking back at our previous topic too) and looking at creating one in class!

Art

Our artists will be drawing portraits of warriors based on descriptions as well as making Roman shields, looking at Roman pottery and mosaics.

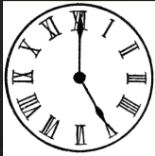

Home Learning

Art/DT

- ❖ Make a model of Roman Villa using Junk materials, playdough, lego or clay!
- ❖ Research what the Romans used to eat and help prepare a Roman meal for your friends/family

Maths

- ❖ Write some mathematical sums in Roman Numerals for your friends/family to solve
- ❖ Write your date of birth in Roman Numerals
- ❖ Read the time on an analogue clock with Roman Numerals

ROMAN NUMERALS: WHAT DO THE SYMBOLS MEAN?						
I	V	X	L	C	D	M
1	5	10	50	100	500	1000

English

- ❖ As our book is based on a Syrian refugee, you can research Syria from early Islamic civilization to now
- ❖ You can create a poster about our author this half term - Onjali Rauf!
- ❖ Create a holiday brochure of Rome! Research online and see what attractions there are.
- ❖ Write a diary entry as a Roman soldier.
