Mathematics

Numbers up to 10
Addition and
subtraction up to
10

Numbers up to 20
Addition and
subtraction up to
20 2D and 3D
shapes

Numbers up to 40
Addition and
subtraction up to
40

Introduction to
multiplication and
division.

counting in tens
and ones, followed
by using number
bonds to partition
numbers, compare
numbers to 100
and find number
patterns looking at
100-charts

Volume, capacity,
mass, telling the
time.

Geography

Seasonal and daily
weather patterns

Satellite images

Using and making
maps; Describing
physical features

Making maps;
include oceans and
continents.

Computing

Purple Mash-
Design your own
dinosaur

Word processing-
typing up a class
poem

Art and design

Large and small-scale modelling

Collage; Painting-designing weather and creating weather symbols

Models of the Solar System-Models of space ships

Drawing and modelling superheroes

Talking about art; Drawing; Collage; Making models; Painting; Sculpture; Masks and products

Working with natural materials; Drawing; Painting

Design and technology

Designing and making

Designing and making space-themed vehicles; Evaluating toys; Using mechanisms

Superfoods; Making masks

Designing labels; Designing and making animal enclosures

Building structures; Making party food

History

Events beyond living memory; Significant individuals – Mary Anning

Significant individuals – Sir Francis Beaufort

Significant people – Astronauts; Changes within living memory

Historical heroes and heroines-Rosa Parks

Music

Percussion - Drums Nasheed - Our Guide the Qur'an.

Weather sounds and songs Nasheed - A is for Allah.

Space sounds; Space-themed songs Nasheed - Allah made

Superhero sounds Nasheed -Your Mother.

Animal songs Nasheed -Eid un Saeed.

Nasheed - Give Thanks to Allah.

everything.

Personal, social and health education

Friendships; what makes a good friend.

Friendship; resolving conflict.

Setting goals

Recognising good and bad choices; Keeping safe; Making a positive contribution

Caring for animals

Feeling positive; Looking after the environment

Science

Plants and animals

Seasonal changes

Properties of everyday materials; Working scientifically

Human body; Eating healthily; Working scientifically

Animals, including humans; Working scientifically

Plants and animals; Identifying and classifying

Physical education

Football

Basketball

Gymnastics

Hockey

Rounders

Athletics

Linked investigations (LTI)

Whose poo? Why do we have teeth?

How big is a raindrop? How wild is the wind? Does it snow in summer?

What keeps us dry? How does it feel?

What can our hands do? Can you be a superhero?

Can you leap like a frog? What is camouflage for? What can worms sense?

Are all leaves the same? Do pine cones know it's raining? What's in a bud? How do leaves change?
