**MOUNT PLEASANT, Mich.**—Central Michigan Head Football Coach Jim McElwain announced his 25-member 2023 signing class on Wednesday evening. According to 247sports.com's league rankings, Central Michigan's 25-member class was ranked No. 1 in the Mid-American Conference.

"This is the best recruiting class in the history of our school," McElwain said. "This class is a direct result of all the hard work by our coaching staff, along with all of the people that really care here at Central Michigan. We tried to focus on the state of Michigan and the surrounding areas and that effort is reflected in who we signed. We are looking forward to welcoming these players to campus and acclimating them to our school and football program. Ten of these signees are planning to enroll at CMU next semester and before spring practice. Having those athletes on campus will help in educating our players on what it means to be a Chippewa Football player. Our goal as a program is to get our team back to understanding the responsibility of being a Chippewa football player."

"In addition, we already have a great jump on our 2024 and 2025 classes."

Wednesday, December 21 marked National Signing Day for NCAA Division I football programs. Complete details on the class, bios, highlight videos and more information can be viewed on Central Michigan's National Signing Day Central at [this link](#).

Central Michigan's 2023 signing class consists of 15 All-State honorees, eight student-athletes who guided their high school teams to either a state title or state finals appearance, 21 who led their teams to a state playoff appearance, four team captains, 22 multi-sport athletes, 25 players who earned all-conference and all-district honors, and nine four-year high school football lettermen.

On offense, CMU added one quarterback, two running backs, four wide receivers, three tight ends, and five offensive linemen. On defense, CMU added four defensive linemen, two linebackers, and two defensive backs. The Chippewas also added one specialist (punter).

The majority of the 25-member class are Michigan natives as 12 hail from the Great Lakes State.
