## TEAM NOTES

### AIR FORCE LEADS NATION IN APR

The Air Force football team has the nation's top Academic Progress Rate (APR) score with a 997, according to the NCAA's latest multiyear NCAA Division I scores. The Falcons were second last year with a 993. This season marks the eighth straight year in the top 10.

Each year, the NCAA honors selected NCAA Division I sports teams by publicly recognizing their latest multiyear NCAA Division I Academic Progress Rate. This announcement is part of the overall Division I academic reform effort and is intended to highlight teams that demonstrate a commitment to academic progress and retention of student-athletes by achieving the top APRs within their respective sports. The APR provides a real-time look at a team's academic success each semester by tracking the academic progress of each student-athlete on scholarship (recruited and on varsity roster for non-scholarship schools). The APR accounts for eligibility, retention and graduation and provides a measure of each team's academic performance.

## INDIVIDUAL NOTES

### KAUPPILA ON NCAA DIVISION I FOOTBALL OVERSIGHT COMMITTEE

Air Force senior Garrett Kauppila has been named to the NCAA Division I Football Oversight Committee. He is one of two players from the Mountain West on the committee. During its June 2018 in-person meeting, the NCAA Division I Football Oversight Committee voted to change its structure to provide football student-athletes increased opportunities for providing feedback to the committee. This led to the formation of a Student-Athlete Connection Group. The goal of the Student-Athlete Connection Group is to gather broad-based feedback from Division I football student-athletes on issues the Football Oversight Committee is reviewing. Members of the group will be asked to participate in quarterly teleconferences to provide feedback to the oversight committee. There may also be opportunities to share feedback via surveys.

"It is an absolute honor and privilege to represent the Air Force Academy as well as the Mountain West Conference on the NCAA Football Oversight Committee. As a member of the committee, my sole intentions are to provide a voice of reason and pursue innovative change that takes into account the needs and desires of student-athletes," Kauppila said. "Specifically, I intend on representing my teammates and ensuring that their ideas and perspectives are heard and considered at the highest level. I am confident that the formation of this committee will result in the progression of both college football and the lives of student-athletes around the nation."

He has also served as the cadet-in-charge of our Fellowship of Christian Athletes (FCA) group, which has reached up to approximately 50-60 cadets in attendance and meets weekly, by helping plan events and run weekly meetings. Sanders is also the vice president of Undivided, a non-profit that focuses on strengthening communities and on helping community members create positive change in their spheres of influence. He has gone out in the community, whether at local high schools' FCA events, retreats, or the Academy's SPIRE groups, and performed personal spoken word pieces and/or presented biblically-related messages for an estimated 1,000-plus people within the past two years. He was also the keynote/featured speaker at a retreat for high schoolers looking to go deeper in their faith.

Established in 1992, the Allstate AFCA Good Works Team® continues to be one of the most coveted community service awards in college football. From the 137 nominees, the final roster of 23 award recipients will be announced in September, bringing together 11 players from the NCAA Football Bowl Subdivision.

He started against New Mexico and had the best game of his young career. Hammond rushed for a career-high 136 yards and a touchdown on 19 carries with a career-long run of 37 yards while hitting 5-6 passes for a career-best 145 yards and a career-high two touchdowns. The 100-yard rushing game is the first of his career as well as posting 100-plus rushing and passing in the same game.

He started for the first time of his career vs. Navy and responded 60 yards rushing a career-best three touchdowns. He also hit six of 10 passes for a then-career-best 142 yards and a touchdown which came on a career-long 61-yard pass.

Hammond finished fourth on the team in rushing with 371 yards on 83 carries and scored a team-best nine touchdowns. He hit 38 of 72 passes (52.8 percent) for 623 yards and a team-best five touchdowns.

## AIR POWER LEGACY SERIES

Air Force football honors the flying heritage of the Air Force each year with the Airpower Legacy Series. The team wears a special designed helmet and uniform modeled after a different aircraft for select games. This year's selection will be announced later this season. The team is 8-0 when wearing the special uniforms.

The Airpower Legacy Series began in the 2016 season with the football team wearing an alternate uniform for the Georgia State game to celebrate the Tiger Shark teeth

nose-art which has been represented on multiple Air Force aircraft dating back to World War II. During the WWII era, fighter plane pilots were called "Flying Tigers" and were part of the U.S. Army Air Corps, which later became the Air Force. The helmets worn for the game featured a shark-teeth design like those painted on the aircraft.

While 2016 focused on the past, the Falcons honored the present, and future, of air power in 2017 with the F-35 theme. The F-35 completed its first flight in 2006.

In 2012, the F-35 program increased to 30 aircraft. In 2016, the F-35A was declared combat ready by Gen. Hawk Carlisle, the commander of the Air Combat Command. The helmet had five different designs. On one side of every helmet will be the familiar Air Force logo often seen on aircraft, which includes the length-wise bars intersecting the roundel. On the other side was a decal representing one of the five Air Force F-35-A operational fighter squadrons in the Air Force.

The team honored the AC-130 in 2018. The Falcons debuted the uniform in the season opener Sept. 1 vs. Stony Brook and wore them again at home against New Mexico.

The helmet featured the AC-130 on one side, plus squadron patches on the other. The AC-130 gunship is a heavily armed, long-endurance ground-attack variant of the C-130 Hercules transport fixed-wing aircraft. It carries a wide array of anti-ground oriented weapons that are integrated with sophisticated sensors, navigation, and fire-control systems. Unlike other military fixed-wing aircraft, the AC-130 relies on visual targeting. Because its large profile and low operating altitudes (around 7,000 ft) make it an easy target, it usually flies close air support missions at night.

## HEAD COACH TROY CALHOUN

Troy Calhoun is in his 13th season as head coach at Air Force where he has an 87-67 overall record and a 52-43 mark in Mountain West play. He has led Air Force to nine bowl games, including a school-record six straight from 2007-12.

Calhoun has led the program to two 10-win seasons (2014, 2016), a pair of nine-win seasons (2007, 2010) and three with eight wins (2008, 2009 and 2015). He has led the Falcons to the Commander-in-Chief's Trophy four times. Calhoun led the Falcons to an 8-6 overall record in 2015 and the Mountain Division championship and first-ever MW title game appearance. Calhoun is the only coach in the 100-plus year history of service academy football to lead teams to at least seven wins and a bowl game in each of his first five seasons. Calhoun has twice been semifinalist for the National Coach of the Year award for his efforts on and off the field (2007, 2010).

Calhoun came to his alma mater in 2007 and took over a program that had three straight losing seasons. Air Force finished the 2007 season 9-4 overall and placed second in the Mountain West Conference with a 6-2 mark in Calhoun's first year. The Falcons earned their first bowl bid in five seasons, advancing to the Bell Helicopter Armed Forces Bowl in Fort Worth, Texas. The five-game turnaround from the previous season was the largest in the nation by a first-year head coach and tied as the third-largest overall in the nation.

Calhoun was named the conference's coach of the year for his efforts. In addition, he was named coach of the year in Region 5 by the American Football Coaches Association and was one of eight finalists for national coach of the year honors.

Calhoun brought a wealth of experience and impressive resume at the collegiate and professional levels that is flooded with success at every stop to the Academy. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving as the defensive assistant under defensive coordinator Larry Coyer in 2003.

Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team that finished fifth in the final polls with a 12-1 record that included wins over national powers Notre Dame and Texas.

Calhoun served his country from 1989-95 as an active duty officer in the Air Force. He was the Falcons' recruiting coordinator and the junior varsity offensive coordinator in 1993-94. He moved to Ohio University in 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. Calhoun moved to Wake Forest in 2001 and remained there prior to his stint with the Broncos.

Groomed on the basics of integrity and passion, Calhoun is a native of Roseburg, Ore., and was raised in a home where both kids graduated from the Air Force Academy and were varsity letter winners on nationally-ranked teams. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler (17) and Amelia (15).
