1. WHY MAKE THE DRAMA SERIES GET FREE?

GET FREE is a gritty and entertaining series that will help to free victims and destroy the powerful sex trafficking rings.

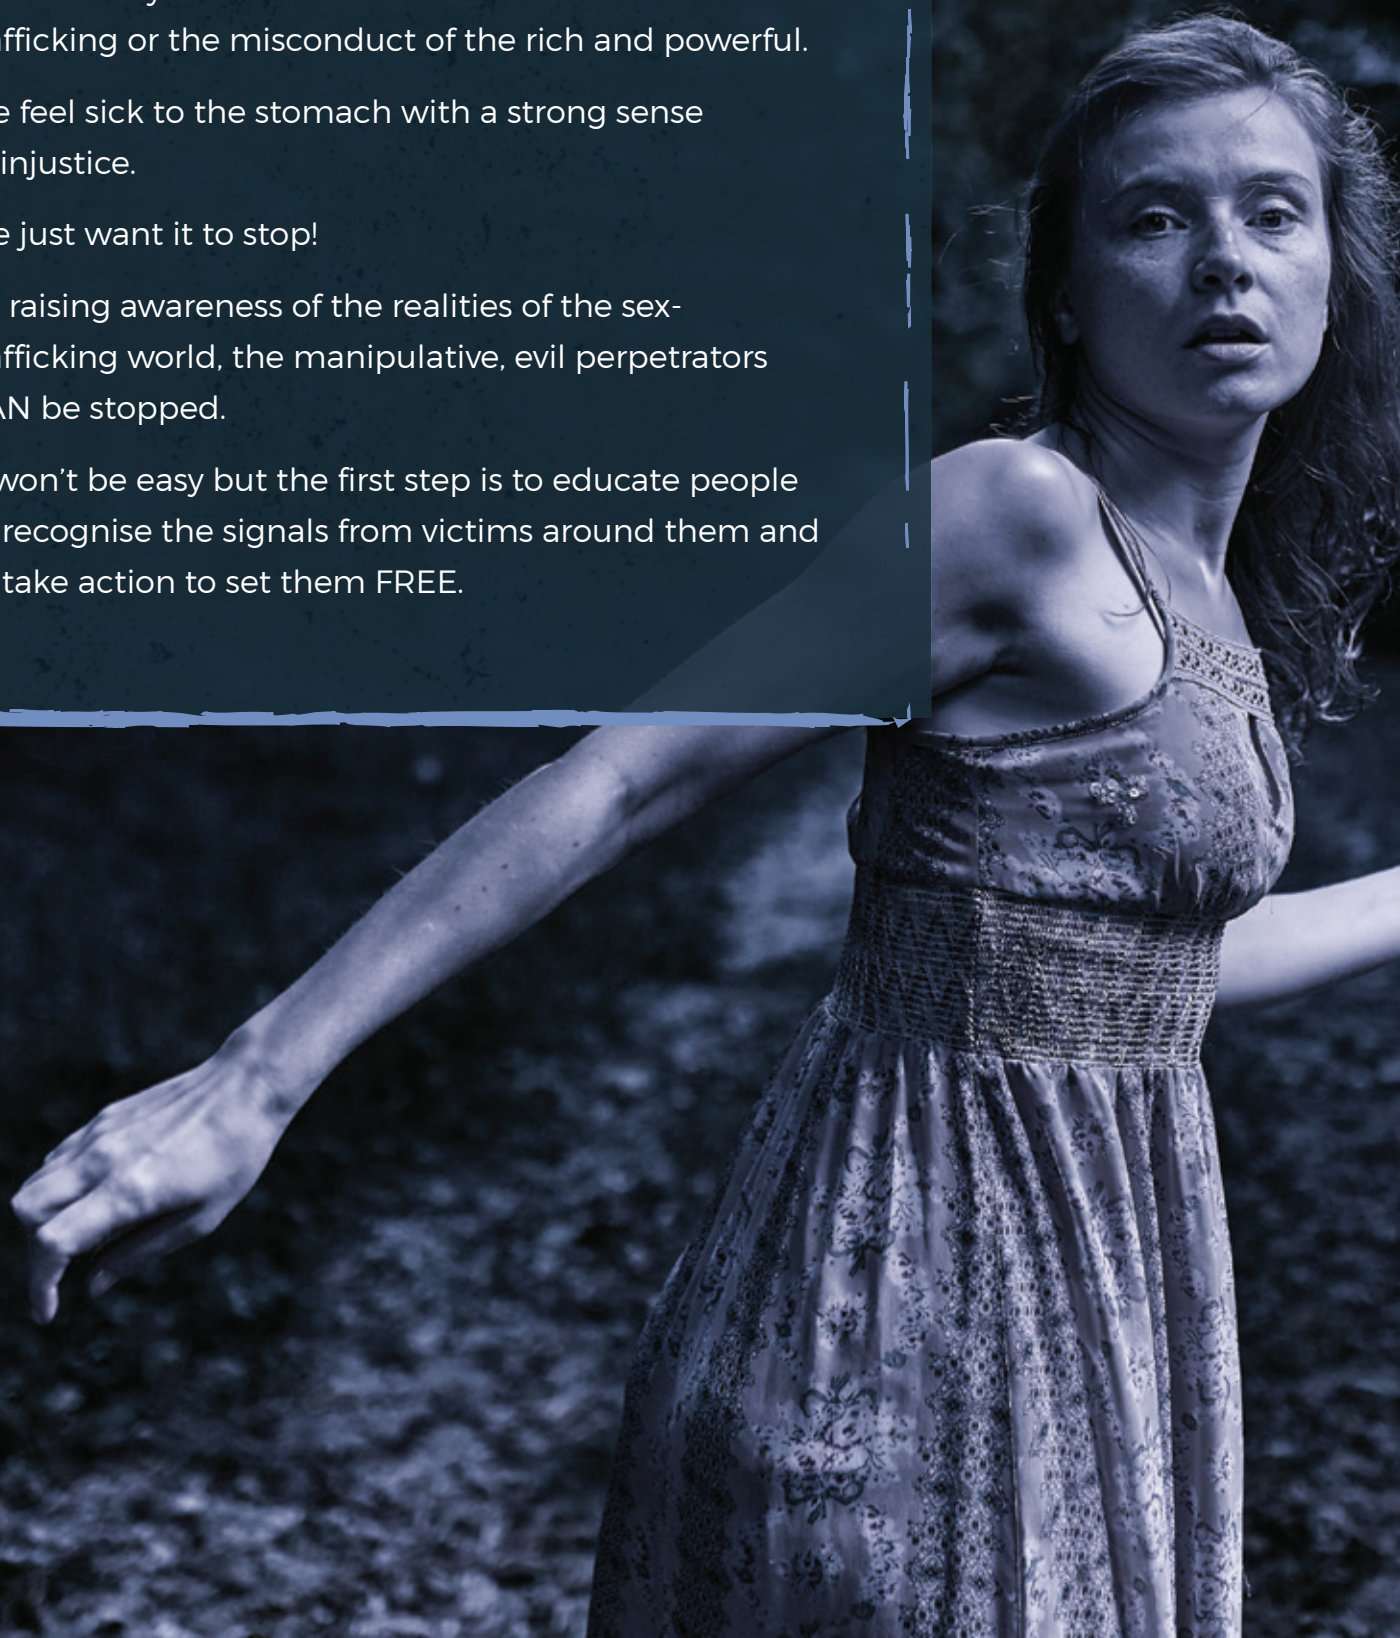

Almost every week we hear of occurrences of sex trafficking or the misconduct of the rich and powerful.

We feel sick to the stomach with a strong sense of injustice.

We just want it to stop!

By raising awareness of the realities of the sex-trafficking world, the manipulative, evil perpetrators CAN be stopped.

It won't be easy but the first step is to educate people to recognise the signals from victims around them and to take action to set them FREE.

2. HOW BIG IS THE PROBLEM?

There are approximately 45.8 million slaves in the world today, most are being trafficked and enslaved for sex.

According to UNICEF, 1.2 million children alone being trafficked every year across the world.

Victims of sex-trafficking exist within the fabric of our own society.

There are at least 20 ways, innocent people become victims of sex-trafficking.

Until their one 'mistake', they are often just living ordinary, innocent lives.

In 2018 at the world-wide airline congress in Sydney; trafficking on commercial airlines was their biggest concern.

3. WHAT IS THE GET FREE STORY?

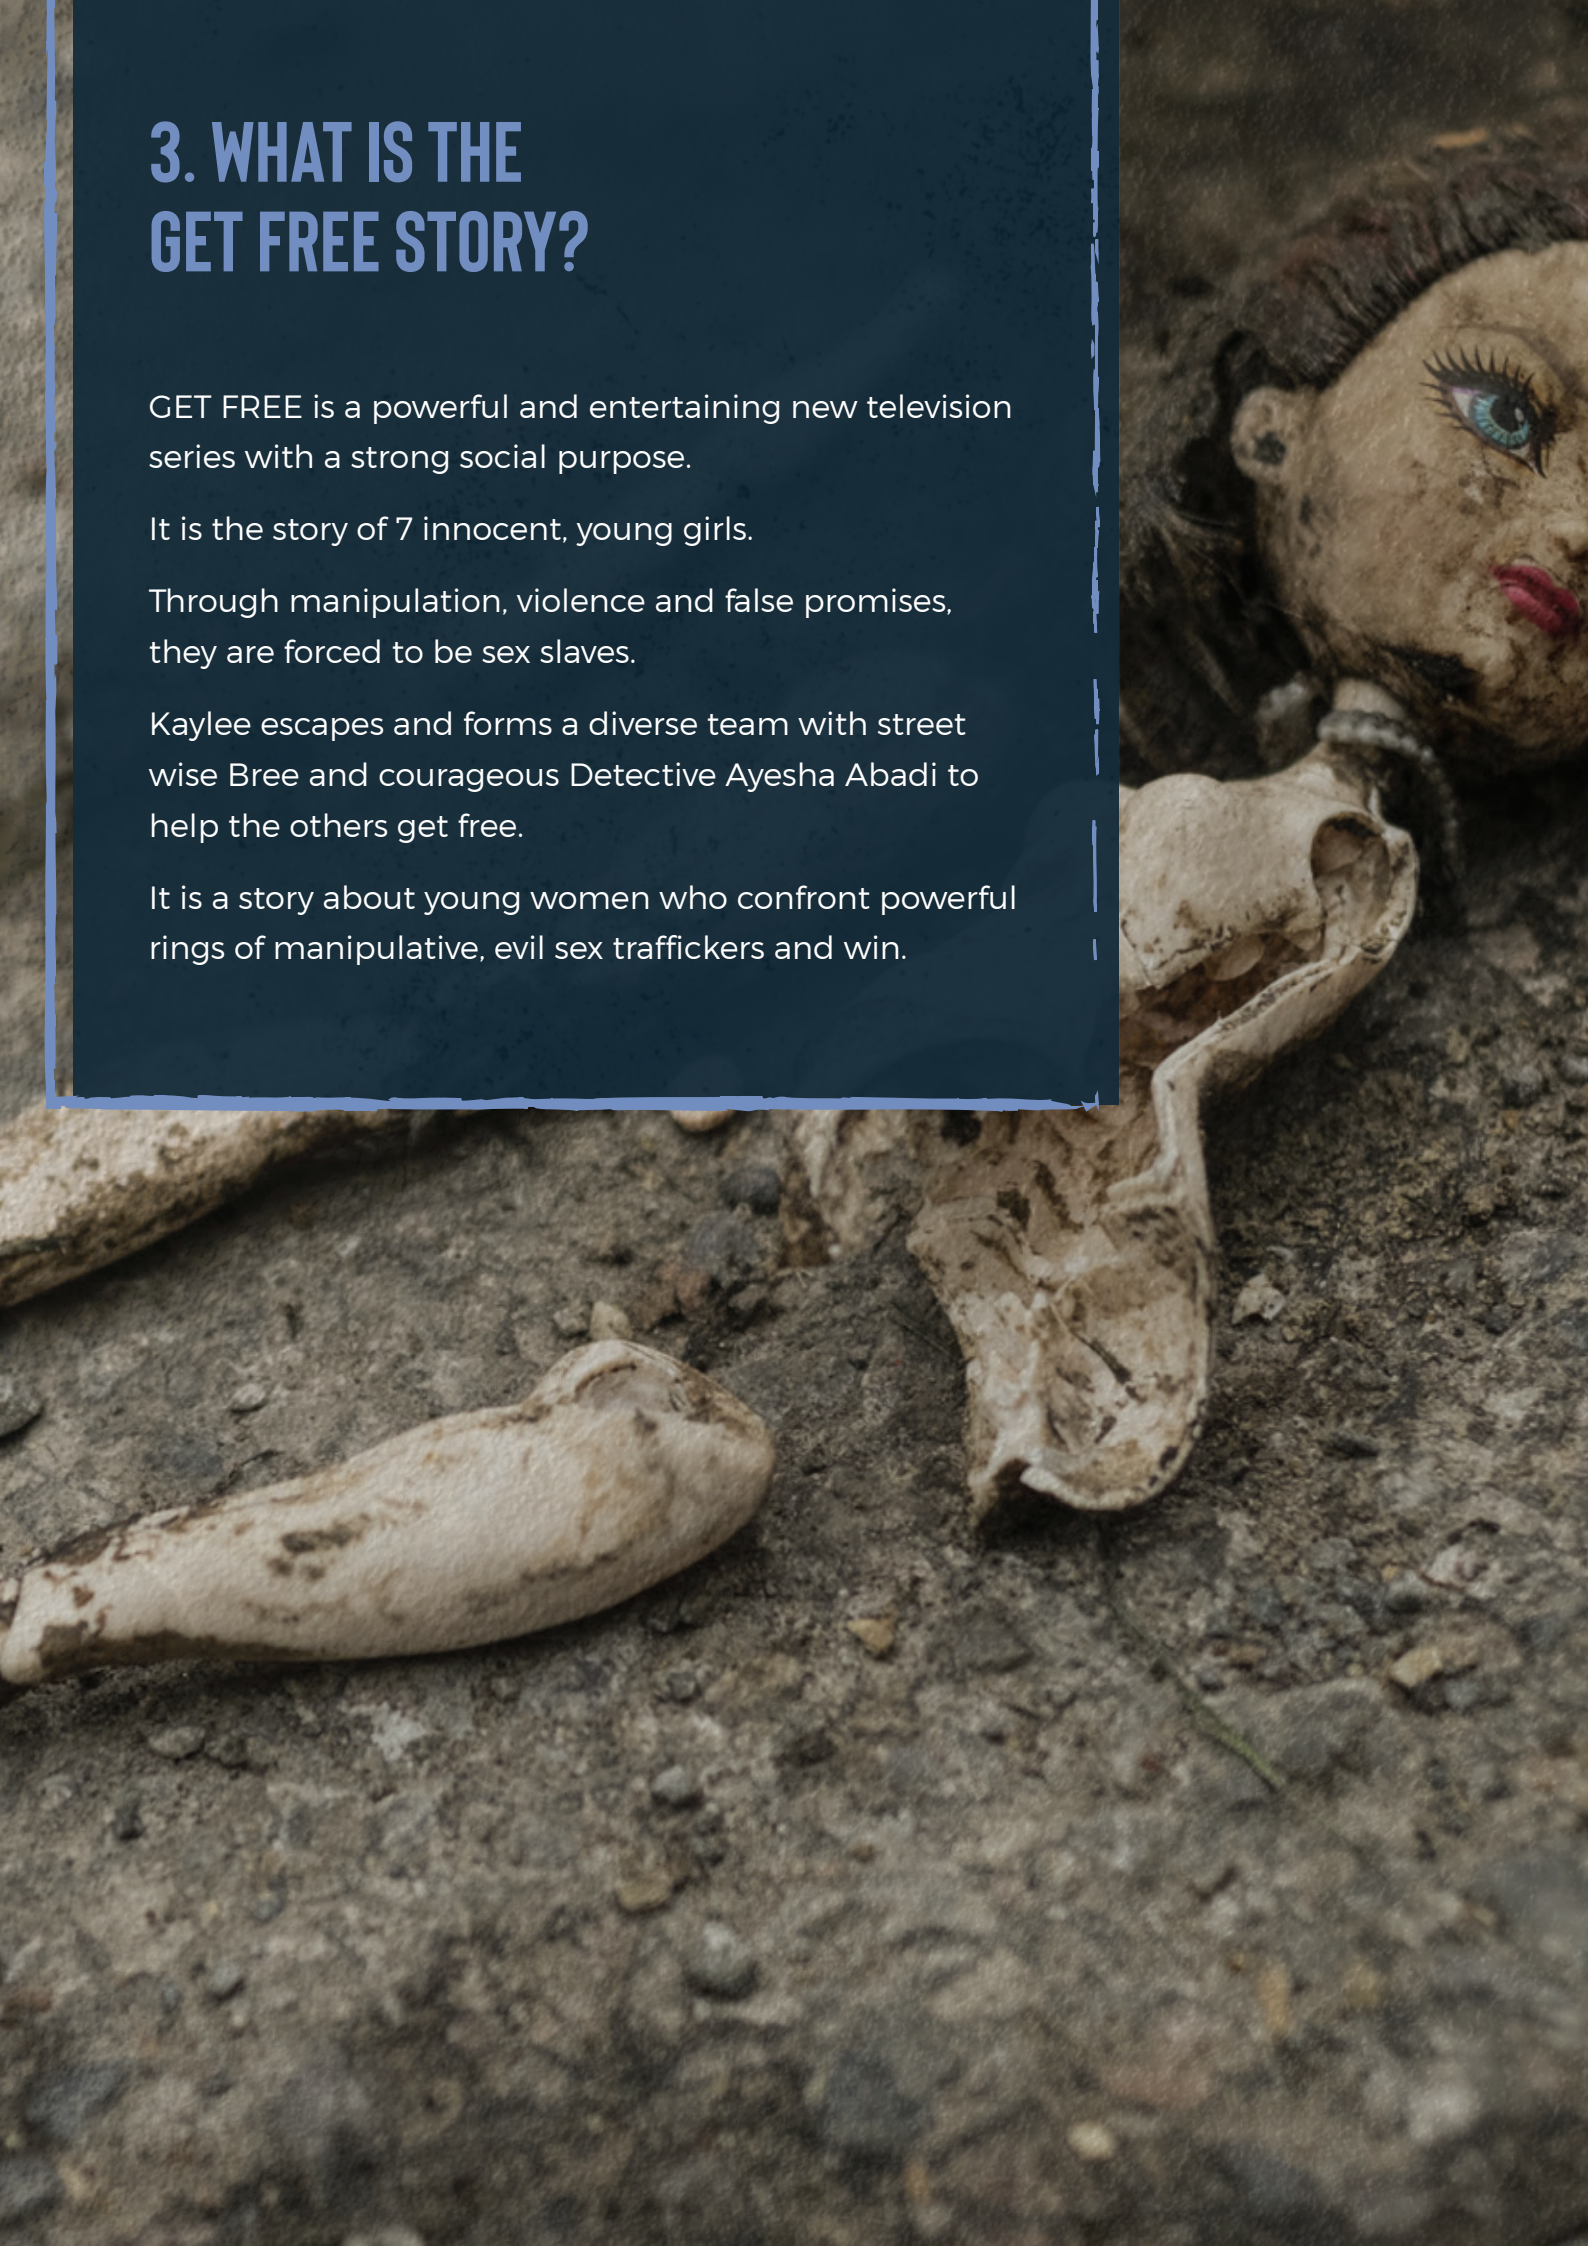

GET FREE is a powerful and entertaining new television series with a strong social purpose.

It is the story of 7 innocent, young girls.

Through manipulation, violence and false promises, they are forced to be sex slaves.

Kaylee escapes and forms a diverse team with street wise Bree and courageous Detective Ayesha Abadi to help the others get free.

It is a story about young women who confront powerful rings of manipulative, evil sex traffickers and win.

4. HOW TRUE IS THE GET FREE STORY?

The GET FREE story is inspired by a real life in Australia.

Amanda and Craig were house parents for a recovery home in Sydney that was established to assist prostitutes begin a new life.

There they met a young girl who had been a prostitute from the age of nine, after her mother sold her to a depraved man.

Many of the events in GET FREE are drawn from real situations.

Amanda and Craig are passionate about exposing the realities of the sex trafficking world in Australia and overseas to help to free other sex slaves.

5. WHAT IS THE STRATEGY BEHIND GET FREE?

We've written a five season television drama series called GET FREE that does six things:

- i. Activates people to report suspicious behaviour.
- ii. Informs viewers of this terrible situation through a binge-worthy drama.
- iii. Educates women and children on how to avoid being trafficked.
- iv. Reveals the lies the traffickers use and builds courage in victims that they could escape.
- v. Increases pressure on governments and police to prosecute perpetrators and rewrite laws on sexual abuse.
- vi. Provides huge potential to bring in large profits for investors.

6. WHAT MAKES GET FREE DIFFERENT?

Award winning Feature Film Director of Photography, Writer and Director Brian Baugh recently said:

“I have read many scripts over the last decade that have tackled sex trafficking as a part of the subject matter. GET FREE stood out to me. It had an interesting narrative structure and took the viewer behind the curtain to see what happens in the underbelly of that world. The script was disciplined and didn't fall into the common trap of putting the moral message before the story. I think audiences will want to go on the journey with these characters to see if good will conquer evil in very harrowing circumstances.”

- Brian Baugh

7. WHY WILL GET FREE WORK?

- TAKEN was a similar story to GET FREE and it made a profit of over \$200million USD at the box office on just ONE film.
- GET FREE is the show you watch when Liam Neeson's not your dad.
- THREE GIRLS was a TV series on sex trafficking which won 31 awards and was nominated for another seven.
- MORNING WARS takes on the hot topic of a sexual predator in the workplace and the corporate cover up. Apple TV included the show in their initial offering to launch their channel in Australia.

9. WHERE ARE WE HEADED?

Our long-term goal is to create FIVE SEASONS of television drama, each comprising 10 x 60min episodes. We have to start somewhere.

It's binge-worthy fictional drama – this is the most consumed entertainment of our day.

People will follow a hero – it's all about hope versus calamity, our human instinct.

Justice wins over evil.

We will link with social media, help agencies and governments to free captives and inspire victims to escape rather than suffer in silence.

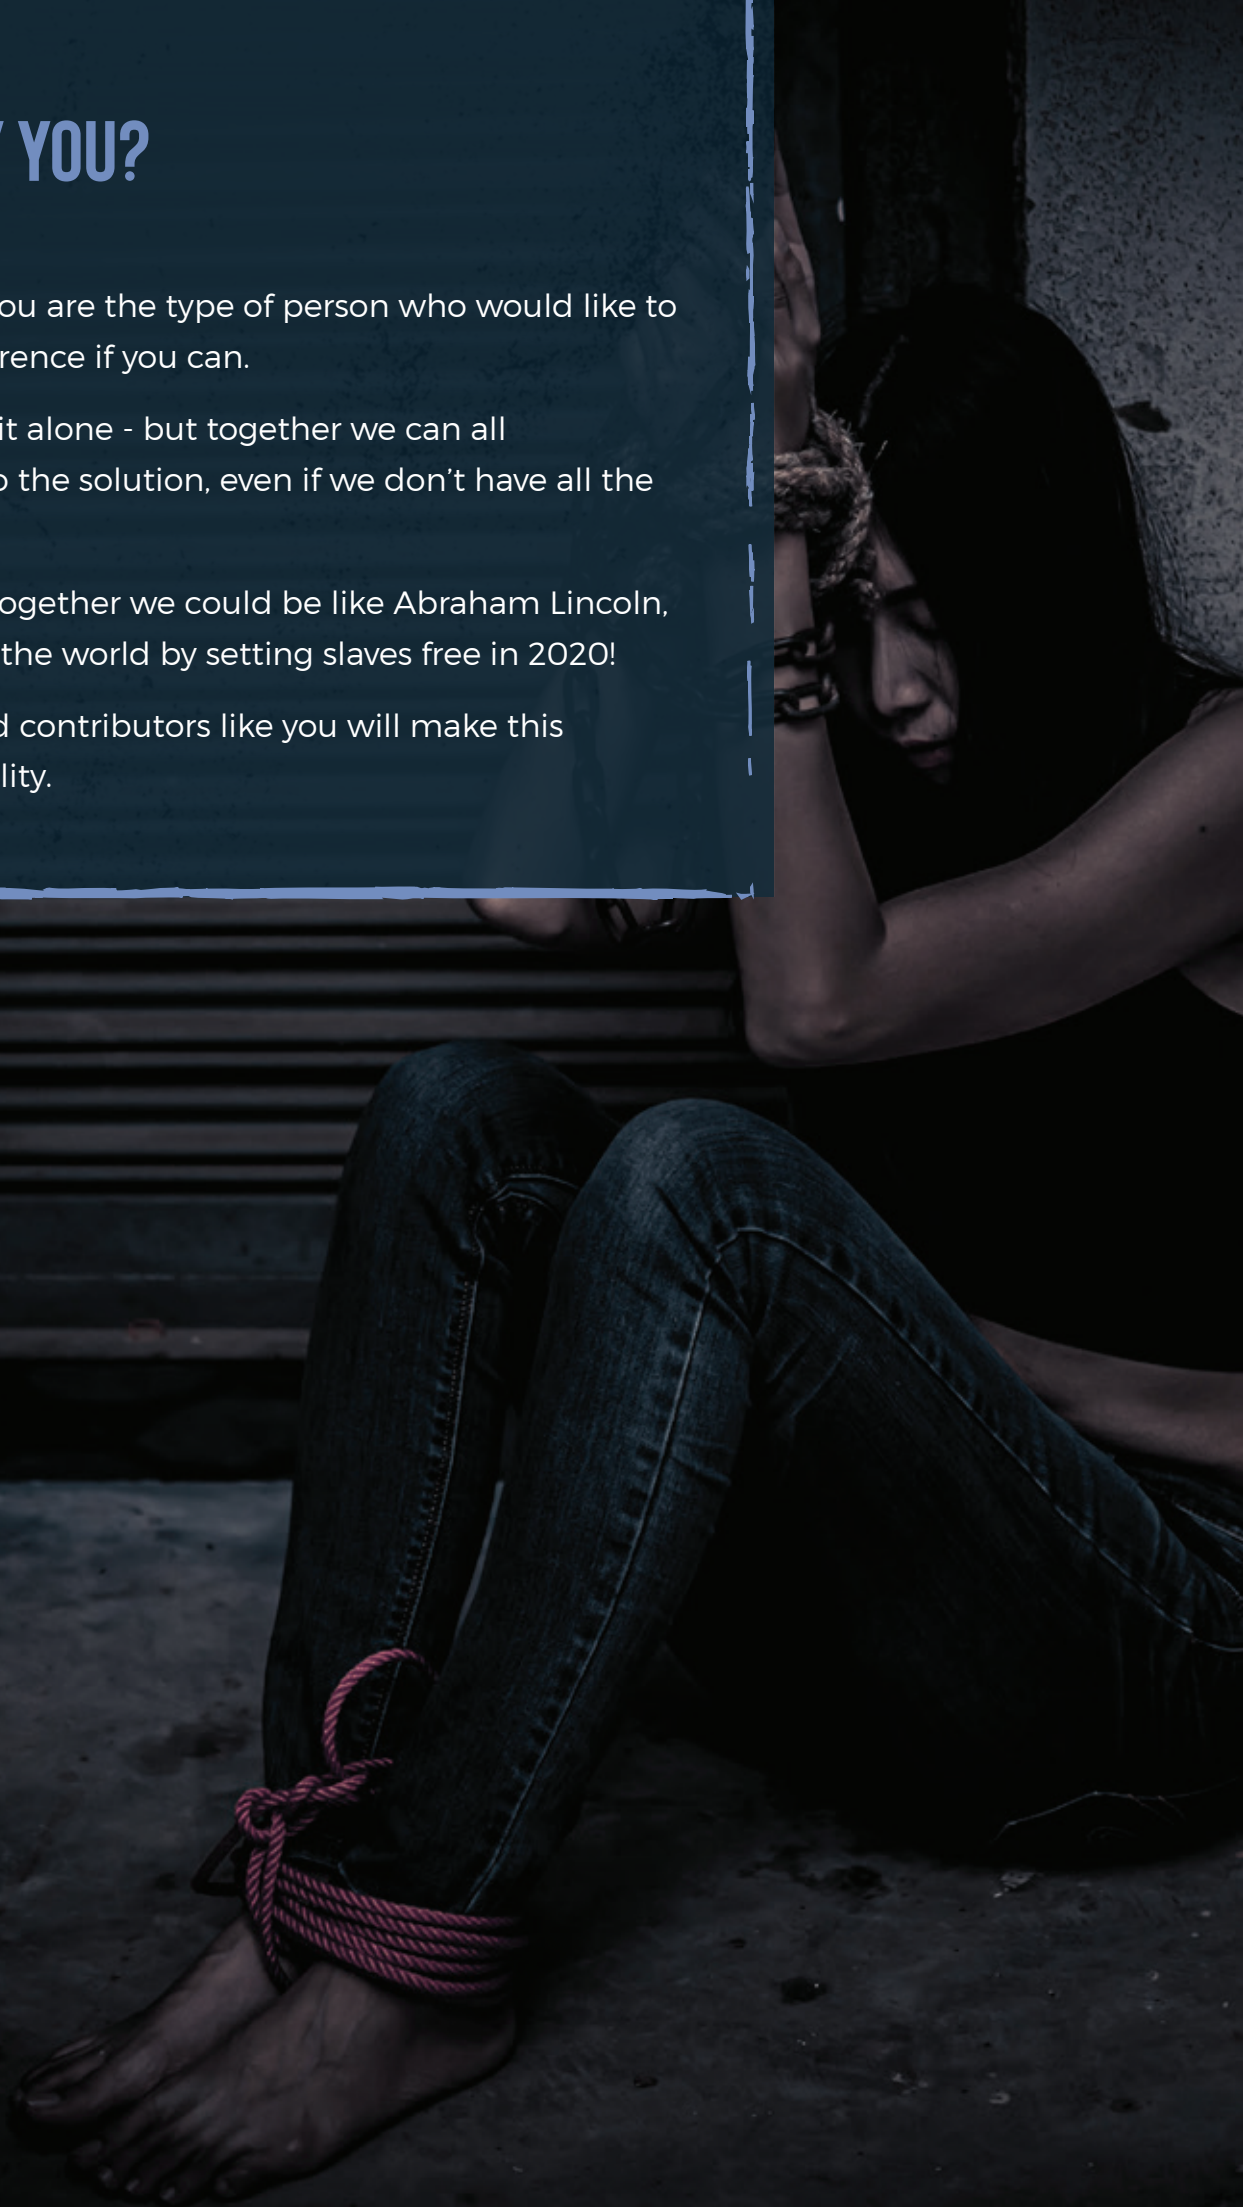

10. WHY YOU?

We believe you are the type of person who would like to make a difference if you can.

We can't do it alone - but together we can all contribute to the solution, even if we don't have all the answers.

Potentially, together we could be like Abraham Lincoln, and change the world by setting slaves free in 2020!

Investors and contributors like you will make this project a reality.

11. HOW CAN YOU GET INVOLVED

Investors are currently being sought to fund the initial Pilot series of GET FREE – this will require \$1.2 million.

Opportunities exist for like-minded people, groups or companies to invest between \$5,000 to \$50,000 each or potentially more.

Donations can be made at GoFundMe www.gofundme.com/f/get-free-tv-show for those who are passionate about supporting GET FREE to help eliminate sex trafficking.

An investment prospectus can be requested via our website www.getfreetvshow.com
