# THE INTERNATIONAL HAIR PROGRAM

The International Hair Program is perfect for both beginners and experienced hair stylists who want to sharpen their skills in cutting, colouring, and styling. With expert-led workshops, hands-on practice, and the latest techniques, this program provides participants with the knowledge and expertise to excel in the global hair industry. Certainly, no matter the levels of professional expertise you have reached, there will always be certain specialised modules issued that are expected to enable you to learn the latest trends. If it is about climbing the stairs of your profession and making a niche for yourself in the glamorous industry of beauty, this is the program that is designed for you.
